

Healey Foundation Primary School

Curriculum Newsletter - Summer Term

Year 4

Literacy

This term year 4 will start off with looking at play scripts adapting familiar stories. We will concentrate on how to make our writing better and more interesting for the reader using a range of grammar

Numeracy

Year 4 will revise the four operations through reasoning and problem sorting. Year 4 will also be using the inverse operation to show how they have got their answer. We will also look at converting

Geography/History

Year 4 will finish off our topic on the Anglo-Saxons before moving onto the Vikings.. In geography we will look at OS maps, Catalonia and Matopol-

Science

This term we will look at sound, investigating how sound travels associating this with vibrations on the ear drum. Year 4 will then be moving onto electricity. Investigating how circuits work and looking at common appliances that run

ICT

This term year 4 will research using the internet. Use Power point to show their findings.

Use word to write stories linked to Literacy.

Art/DT

This term Year 4 will look at art taken from the Bayeux tapestry linking this with their own life.

Year 4 will then move onto the artist

Remember

Reading books will go home each night. They are changed as and when your child finishes the book and has been signed by an adult at home.

Remember to let your child carry on with the Timetables Rock stars to help them with their tables.

Indoor PE MONDAY afternoons—white t-shirt, black shorts, pumps/trainers. PE will also be outside weather permitting (black jacket/hoodie and black jogging bottoms or leggings.)
