

Minister Helen Johnson has sent through lovely activity our pupils could do in preparation for

Remembrance Sunday and Armistice Day.

It would be great if some of our Healey pupils could add to the field of poppies being collected outside our 2 local Methodist churches.

Lest We Forget

NOVEMBER 11th 2020

Remembrance Day

CREATE YOUR OWN POPPY

You can make a poppy from things like:
egg cartons, cupcases, pom poms, felt, tissue paper,
bottle bottoms etc let your imagination run wild!

It will help if your poppy has a stick or a cross so that it sticks in the ground. If you can protect your poppy from the damp in any way that would be great – you could use PVA glue for this

Come and place your poppy from the 2nd November:

- 1: Syke Methodist Church/ Community Base
– Under the tree
- 2: Thrum Hall Methodist Church –
Grass area at the front of the building
