

Healey School Newsletter

Thursday 25th February 2021

School fully open from Monday 8th of March.

Monday evening saw the Prime Minister bring all of us the news we were hoping for. All our pupils will be back together from Monday the 8th of March in what will be the first step in re-opening up the country after lockdown.

We look forward to seeing all your faces on that morning, in the meantime continue to keep safe.

The times for children to arrive at school will remain the same as they were before lockdown.

Can you help us? We want to celebrate your child's achievements.

Given all that has happened during this last lockdown, we wanted to celebrate all the learning that has taken place at home and in school.

We would like you to take a photo of your child taking part in some learning at home to create a display in school showcasing what a hardworking, talented and resilient group of pupils Healey School has.

The photo could be of your child carrying out a new skill that they have learnt during the lockdown, have they learnt how to bake or juggle, have they been creative, did they enjoy getting outside and learning about nature during your daily walks? Have they been incredibly hard working during their home learning lessons?

Anything you are proud of them for, can be shared with us.

Please send a photo of them carrying out this newly acquired skill or of them working hard at home with a couple of sentences to explain why you're so impressed with them to the Office@healey.rochdale.sch.uk email address by Friday 5th of March.

We'd really love to hear about and celebrate our fantastic children.

PE live lessons with Edstart.

All pupils at home and in school will have another opportunity to take part in a live PE lesson next week with pupils in their class. Your child will need to be up and ready to attend the lesson by zoom before the scheduled time and will need to be wearing clothing suitable for a PE lesson.

The lessons will be taking place on Tuesday and Thursday next week, details of which pupils will be taking part and when are as follows.

Reception Class – Tuesday 2nd of March, 10am until 10:30am

Year 1 and 2 – Tuesday 2nd March, 10:45am until 11:15am

Year 3 and 4 – Thursday 4th March, 10am until 10:30am

Year 5 and 6 – Thursday 4th March, 10:45am until 11:15am

The link to these lessons will be shared via seesaw in advance.

We hope to see as many pupils as possible in the lesson before they return to school the following week.

Please make sure you have set your Zoom profile to the name of your child, this is to ensure that teachers only let pupils they recognise the name of into the meeting.

It is important that you read and obey the rules around using Zoom for school meetings which were featured on the last newsletter before half term.

Parents' Evening.

Our next parents' evening will be held via video call over the evenings of Wednesday 21st of April and Thursday 22nd of April (the first week back after Easter break).

The booking form for both of these evenings will go live on Monday 29th of March. More details will follow nearer this time.

Before and After School Club.

Please can we remind all you parents who need the use of our before and after school club, that the new booking form is on the school website. Any families needing use of the club from the 8th of March will need to book into the club beforehand in order to ensure we have the correct level of staffing.

Please contact the school office if you are unsure of how to book or are having any problems.

School times from 8th March.

Year Group	Start of school	End of school
Reception	9:15am	3:15pm
Y 1	9:15am	3:15pm
Y 2	9:00am	3:00pm
Y 3	9:00am	3:00pm
Y 4	9:00am	3:00pm
Y 5	8:45am	2:45pm
Y 6	8:45am	2:45pm

Please obey social distancing on our school premises and when lining up to arrive at school.

Masks must be worn by parents whilst on the school grounds.

Home Learning.

Thank you for all your efforts with helping your child learn at home, we have been incredibly impressed with the amount of work our pupils have been doing.

We have noticed that some families haven't been completing as much of the work as they were. Please continue to complete the work online to ensure that your child gets the best opportunity to phase back into school life once they return.

A link to a wellbeing questionnaire for your child to complete will be shared via seesaw for them to complete before they return to school on the 8th of March.
