

Healey Primary School: Sports Funding

Financial Year 2021/2022

Money carried forward Summer	17,485.36			
Money received	7,392	10,343	10,343	
Provision	Summer 21	Autumn 22	Spring 22	Impact
<u>RBSGP fees</u>		£550		This gives our school access to training, conferences, CPD for teachers and a wide range of inter school competitions for our children to take part in.
<u>Before School Club –</u> all year groups Karate (subsidy)		£2,100	£980	A good start to the day with a clear focus on concentration, perseverance, good manners and healthy attitude. This club starts at 8.00am but is popular and has high attendance levels. It is open to all age groups from Reception to Y6. It also provides links with Kaizen-Do Karate Club which several of our children now attend.
<u>Edstart</u> providing CPD and after school clubs	£2,460	£2,792.50	£1,545	These clubs are popular with numbers increasing weekly and children have requested that we continue with them in the Autumn term (Summer feedback). In Autumn we increased the amount of clubs. They now provide 2 before school clubs, 2 after school clubs and focused CPD for staff.

Cheerleading- RBSGP		£225.00		Cheerleading was a popular choice made in our Pupil Voice Survey. Dance and Drama was a new club that we tried and children thoroughly enjoyed it. They were able to put their skills into practice and performed an end of term show for the rest of the school.
Dance – RBSGP		£225.00		
Dance Workshop- Bluebox Entertainment- DIWALI		£499.00		This was arranged as part of our Arts Week. All children took part in a workshop where they were able to try a new concept of dance using music and props. They were introduced to new music and were given a story and theme to follow.
<u>Active Maths</u>		£575.00		This is made available to all children. Here they are able to learn whilst keeping active.
<u>ESP Goals</u>		£1,712.50	£5,137.50	Multi use Goals have been added to the KS2 playground. This is something the children have been asking for. It has enhanced their break times and given them some form of structure for those children who struggle. It has also meant that more children are now active as they are able to play football, cricket, netball and others. It has also meant that PE lessons can be carried out outside using the appropriate equipment.
<u>Norman Ashworth Tarmac and Re-surface</u>			£10,895	KS1 have been able to have the Tarmac resurfaced. This was becoming unsafe for children who use the area for Active Maths and Literacy. It now means that children can get outdoors and join in with different games and activities.
RAFC			£100.00	Rochdale Football Club have provided an After School Club. This has encouraged children to

				take part in extracurricular clubs outside of school. Keeping them active for longer.
<u>TOTALS</u>	£29,796.50			
<u>Total spend 20/21</u>	29,796.50			
<u>Carried forward to 21/22</u>	£5423.86
